

37th Youth International of the City of Namur

The Technical Commission of the Young Namurese and the Center for Training and Promotion of the Ping Namurois are very pleased to welcome 14 delegations, 14 teams composed of girls and boys, aged 6 to 14 years, representing 143 competitors with undeniable pongist talents

These young people are accompanied by their coaches or parents.

This annual event allows young pongist to confront players they do not know, thus allowing an assessment of the different forces involved.

For some, it may be the discovery of their potential, they will remember Namur as a sport city with exceptional friendliness.

Acknowledgements

- Ms. Charlotte BAZELAINE, alderwoman of Sports of the City of Namur;
- the various delegations present ;
- to the Provincial Namurois Committee for its support ;
- to all the many volunteers who have worked hard and have not paid their time ;
- to the print media and Boukè who were happy to relay this event .

These two enriching days will enable children and adults to develop friendly relationships in the sport we all love.

Your satisfaction will be ours and we will do everything to ensure you a pleasant stay in Namur.

Already, we invite you to the 38th edition of the Youth Internationals of the city of Namur .
